TESTS

Sadly we learnt this week that we have to delete Test 4,5 & 11 due to the early release of reared pheasant chicks at the top of the quarry. As a result Test 6 will be run in reverse as per the enclosed revised drawing.

CREW BRIEFING – 7:45

We have decided to bring the time of this meeting forward to 7:45. This will allow for cars to start leaving for Easingwold marketplace from 08:00 to allow more time for plotting and for locals to see your lovely cars.

Remember to collect a route handout for Reg 1 as you leave from by the car park exit !
